

TECHNICAL INFORMATION

Appellation:	Bourgogne
Cuvée:	La Myotte
Ageing:	11 months in oak barrels
Grape variety:	Pinot noir
Production:	4 200 bottles
Surface area:	0.8 hectares
Planting density:	8 000 plants per hectare
Yield:	40 hectolitres per hectare
Soil type:	Marl and limestone
Year of plantation:	1956
Characteristics:	This is our oldest Pinot Noir vineyard. Our grandfather went to Pommard to get grafts to replant the parcel with this noble grape variety. Noble, yet capricious. This is the reason why we only bottle this cuvee in excellent vintages.
Cellaring:	10 to 15 years
